

Private Events in the Loft

MILLBROOK VINEYARDS & WINERY

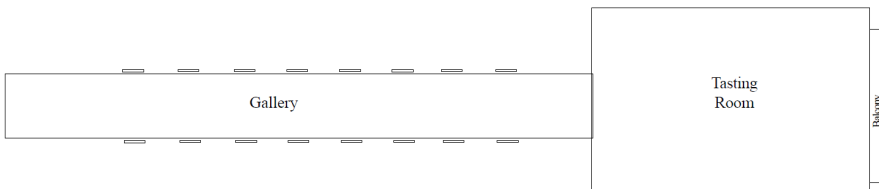

The unique feel of our 1940's barn with its soaring ceiling makes this space a charming location for any type of event.

The 95 foot hallway leading into the main loft area is adorned with art from local artists during the summer and fall seasons. This hallway can be set up with banquet tables down the center for a dramatic dining presentation and comfortably fits 120 guests.

For a more casual event, round tables can be set up in the main room or tall cocktail tables can be used throughout both areas for a stand up hors d'oeuvres/ wine event, comfortably fitting up to 150 guests.
