MILLBROOK VINEYARDS & WINERY

Private Label Varietals and Pricing

HOW THEY ARE MADE: Millbrook Winery's private label program features wines crafted in Millbrook, New York from grapes harvested at our Central Coast, California ranch – Vista Verde Vineyard. Our commercial vineyard operation located on in San Benito County, counts Robert Mondavi, Joel Gott, Purple Wine Company, Thornhill, Georis, Hope Family, Estancia, Wild Horse Winery, EJ Gallo, Calera Wine Company, and Clos du Bois among its esteemed grape purchasing clientele. Shipped via refrigerated trucks, Millbrook sends a small quantity of our custom grown California wine grapes back to Millbrook Winery. Our winemaker, Ian Bearup, produces very approachable, food-friendly wines focusing on Chardonnay, Pinot Noir, Zinfandel, and Cabernet Sauvignon.
