Maximum capacity for our loft weddings is 120 people. Our site rental is strictly the space. Caterer, rentals, and other vendors are the responsibility of those renting. We are currently only licensed for Wine and Beer consumption on the grounds. Hard spirits/liquor is not permitted at the winery.

## THE CEREMONY SITE

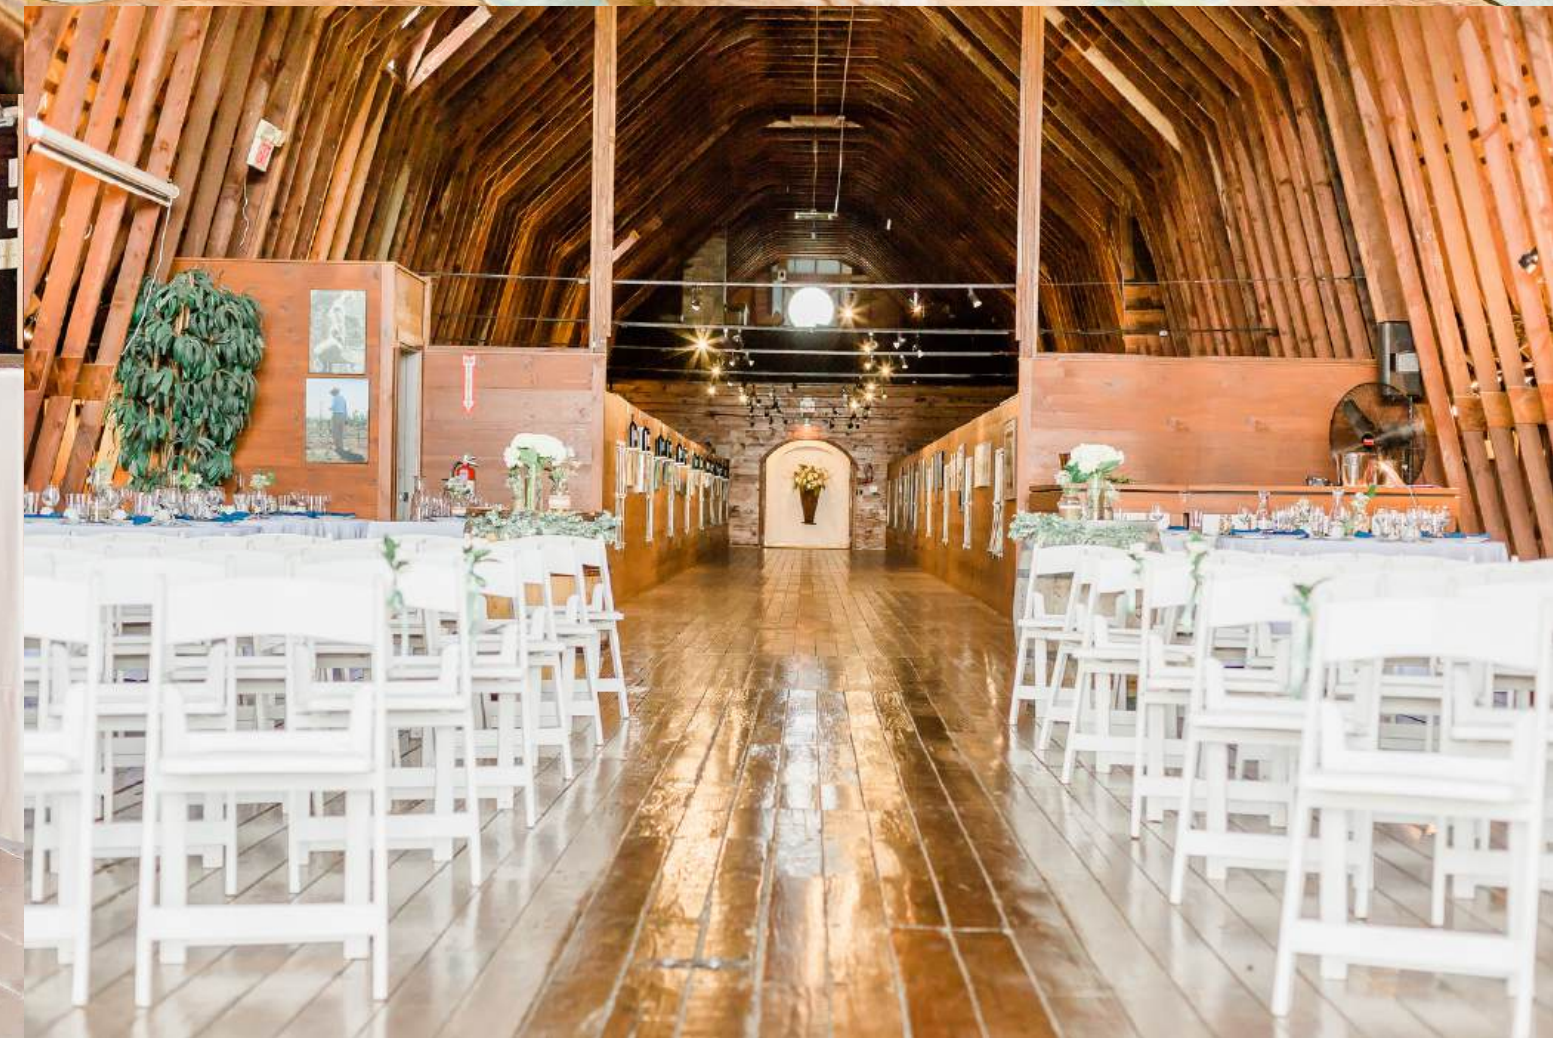

With Several breathtaking locations to choose from, Millbrook's 130 acre estate is an amazing backdrop for your outdoor ceremony. Whether it's in the vineyard or along one of the ponds, the estate is beautiful and picturesque.

# INDOOR CEREMONY

Should you require an indoor ceremony, our Loft can double as a ceremony site and reception hall.

# THE LOFT

The unique feel of our rustic 1940's barn with its soaring ceiling makes this space a charming location for any wedding. The 95 foot hallway leading into the main loft area is adorned with art from local artists during the summer and fall seasons. This hallway can be set up with banquet tables down the center for a dramatic dining presentation and comfortably fit approximately 120 guests.

# THE TAPROOM

The Taproom is an ideal spot for hosting a cocktail reception or serving as a Bridal Suite before the wedding. With its large covered terrace, guests can enjoy scenic views of the Catskills and the surrounding vineyard, creating a picturesque and memorable setting for your special day.

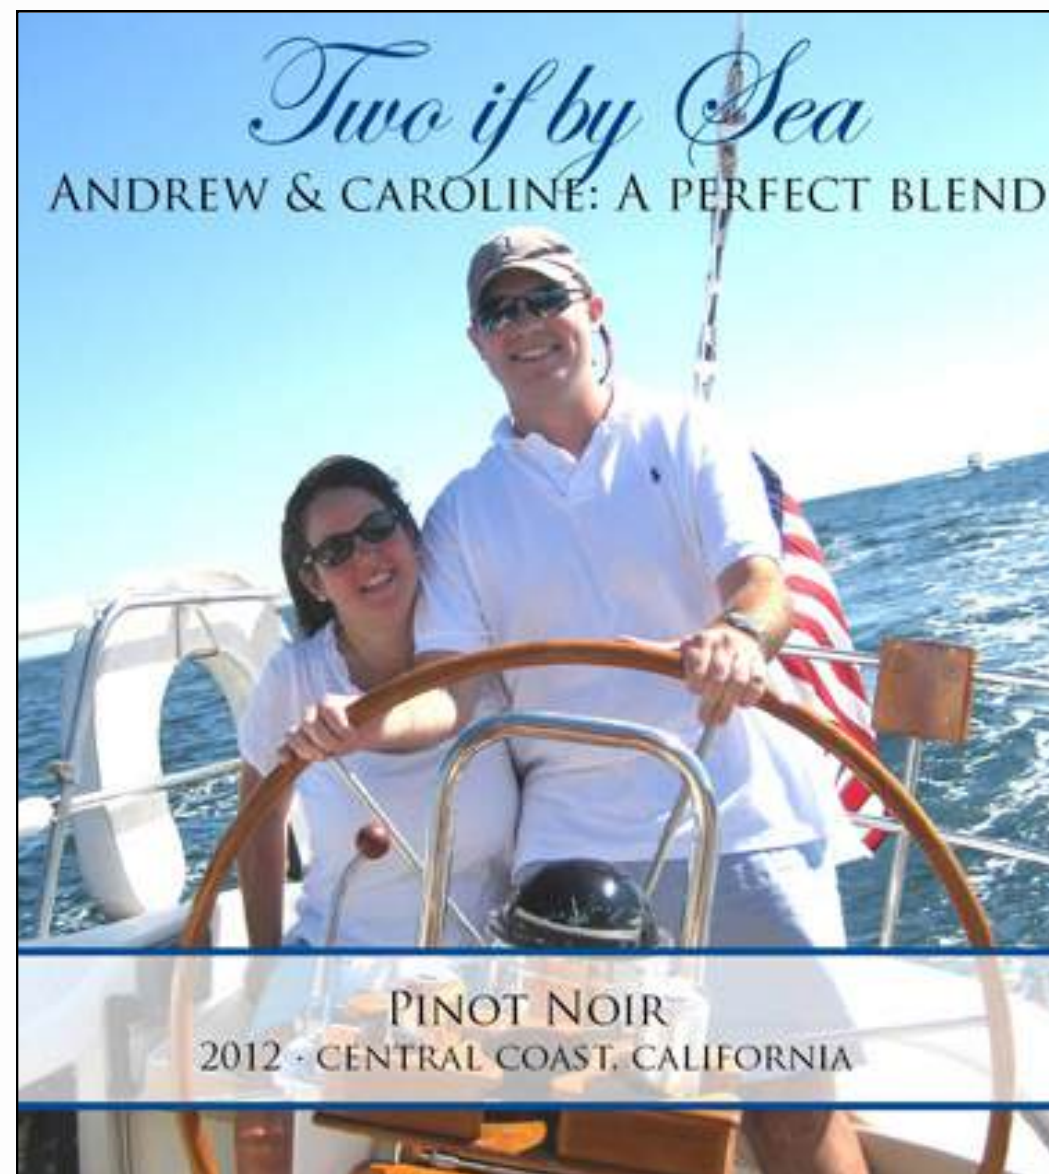

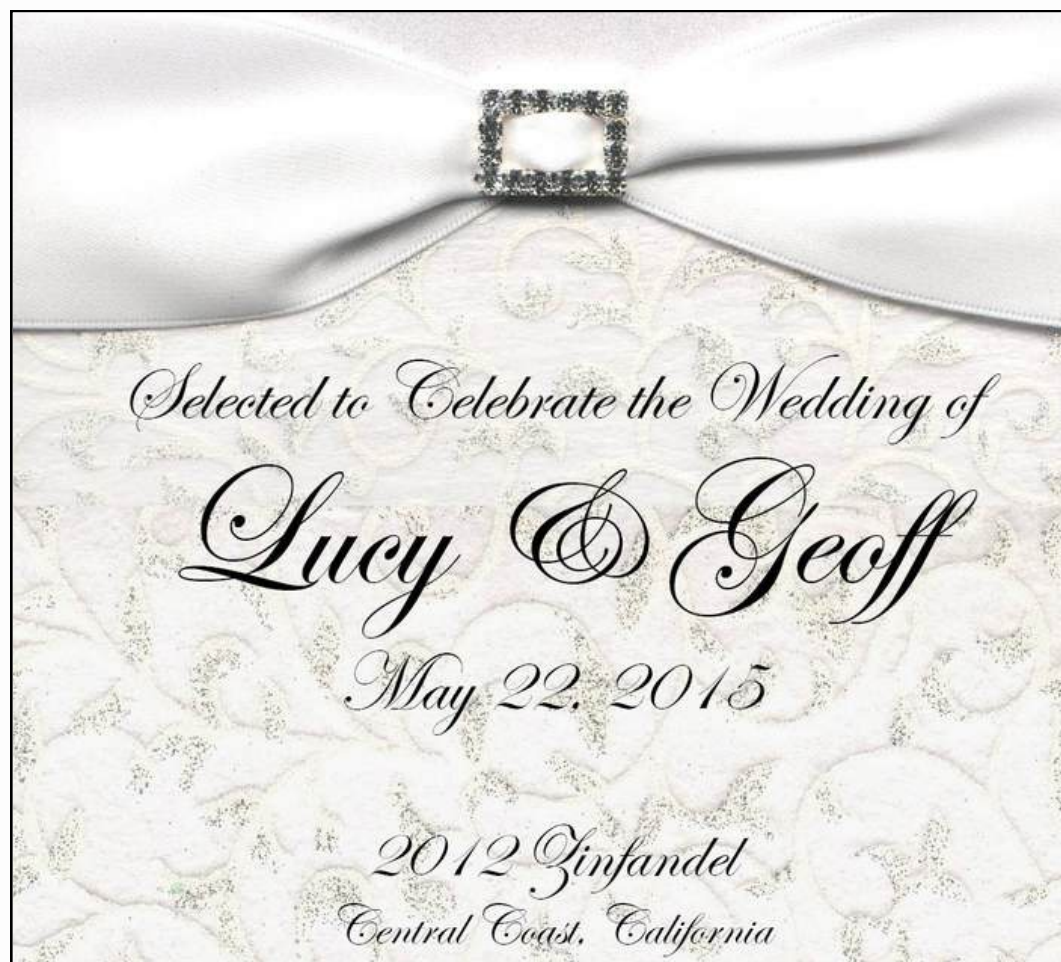

# PHOTOS

The winery grounds offer many picturesque spots for photos. Guests are welcome to capture memories throughout the vineyard and winery, where dramatic views create stunning wedding shots.

## CUSTOM WINE LABELS

Add a little flair to your big day with custom labeled wine! These bespoke labels allow you to incorporate your names, wedding date, and even a special message or design that reflects your unique love story. Not only can they serve as memorable keepsakes for your guests, but they also enhance the aesthetic of your wedding décor. Custom wine labels will turn each bottle into a conversation piece and a cherished memento of your special day.
